SUBJECT: ADDITIONAL INFORMATION NO2. FOR THE SUPPLY OF WATER WORK CONSTRUCTION MACHINERY FOR THE LOWER DANUBE VALLEY WATER DIRECTORATE (ADUVIZIG), HUNGARY, 2017/S 230-480464

Dear Tenderers,

In response to a request from a prospective tenderer, the Első Magyar Közbeszerzési Tanácsadó Zrt. on behalf of Lower Danube Valley Water Directorate (ADUVIZIG) provides the following additional information:

1. Question:

Hereby we would like to ask you the following question:

In the tender dossier under Annex IV Budget breakdown, LOT 2 – Amphibian tool carrier there is a wrong requirement:

*1.5 Spare-parts for the **mobile excavator** with detailed annex including unit prices and 1.6 Consumables for the **mobile excavator** with detailed annex including unit prices.*

In the LOT 2 there is not mobile excavator we think it is remained from the LOT 1. Please correct this requirement.

1. Answer:

Thank you for the remark. The reference to the mobile excavator in the Budget Breakdown template of LOT 2 is faulty indeed. Instead of that the phrase „amphibian tool carrier” is to be used.

The corrected version of the template is included in the last version of the tender dossier that is available for download at the <http://kozvetetel.mkbt.eu/> internet link.

Yours sincerely,

Ms. Éva Molnár dr.
